What is SCONUL access?

The University is a member of the SCONUL Access reciprocal scheme, which enables students and staff to use other university libraries for either reference or borrowing, as appropriate. Generally, part-time and postgraduate students and academic staff can borrow free of charge while other students, including full-time undergraduates, have reference access only.

To register for the SCONUL Access Scheme, please visit http://www.access.sconul.ac.uk/sconul-access and follow the simple steps set out there.

We will respond to your application within 24 hours. Contact ils@yorksj.c.uk for any further details on your application.

How do I know which Band I fit in to?
