Applying for Disabled Students’ Allowance?
The Higher York Access Centre is the result of a unique collaboration between the four higher education providers in York.

You can come to us for a Needs Assessment for Disabled Students’ Allowance (DSA) and lots of help and advice to support you through the whole DSA process.

We will work closely with you to identify your individual needs and recommend specialist equipment, study strategies, support and training, to help you get the most out of your studies.

The Higher York Access Centre is easily accessible, based near the centre of York.
