PGCE SECONDARY AT YORK ST JOHN UNIVERSITY

“Developing outstanding teachers in an outstanding partnership”
THE PGCE SECONDARY SUBJECTS
WE OFFER FOR 2017-2018:

We offer a range of subjects, developed in collaboration with our school partners as follows:

- A university-centred PGCE Religious Education programme (one third of the programme in university and two thirds based in school)
- PGCE School Direct programmes in a range of subjects (see table below)

This route is largely school-based with time out each week for academic sessions.

WHAT SOME OF OUR PARTNERS SAY ABOUT WORKING WITH YORK ST JOHN UNIVERSITY

JULIE CADDELL, DIRECTOR OF THE EBOR TEACHING SCHOOL ALLIANCE
“I think without a doubt the school has better teachers as a result of partnership with York St John University, because teachers who are already in place become more reflective practitioners and think very carefully about why they’re teaching the way they do, but also those teachers become professionally better because they are involved in training that they wouldn’t otherwise have.”

JANE THACKSTONE, MIDDLESBROUGH SCHOOLS’ TEACHING ALLIANCE
‘We have built a really good relationship with York St John University and the staff here, and the trainees are getting the best of both worlds, they are getting a really good University education and they are seeing high quality teaching every day in the classroom.’

JAKE CAPPER, HEAD OF TEACHING SCHOOL, PATHFINDER TEACHING SCHOOL ALLIANCE
“Our partnership with York St John University has been a long and successful one. Together the partnership has developed an outstanding programme which helps ensure a stream of great teachers into the profession”.

LISA HOLDSWORTH, DIRECTOR OF THE WHITE ROSE ALLIANCE
‘We have a true partnership with York St John University. Every stage from module development through to subject delivery is done collaboratively. As an Alliance we feel our expertise is valued and listened to and York St John University provide our staff with crucial CPD opportunities.

This partnership provides our trainees with a quality experience which has an excellent balance between developing their academic subject knowledge and hands-on, up-to-date school experiences.

We have excellent relationships with our colleagues at York St John University, which continues to grow and develop overtime. We feel very fortunate to be part of this partnership during this time of great change and development’

WHAT OUR PREVIOUS TRAINEES HAVE SAID ABOUT THE QUALITY OF THE PROGRAMME:

- An excellent, supportive and helpful course which has provided me with outstanding training
- The variety of topics covered in sessions has been valuable
- The modules build a solid framework for teaching practice to flourish
- A good variety of ways in which information was learnt (activities, guest speakers and individual work etc)
- When on placement it is easy to see the relationship between theory and practice and this is fantastic as it builds us as professionals who will continually aim to develop
