

# Campus map

If you are looking for a specific room on campus, our room codes will tell you where to go. The room codes are referenced on this campus map.

The first 2 letters of your room code refer to a campus building for example:

**C.C. - Creative Centre**  
**C.D. - Cordukes**  
**D.G. - De Grey**

To find the specific room number, the 3 digit number following the letters refers to where the room is within the building:

**000 - Ground floor**  
**100 - First floor**  
**200 - Second floor**
