3. Attendance and tickets

3.1 How to confirm your attendance and book guest tickets

An invitation to your graduation ceremony has been sent to your personal or home email address. If you have not received your invitation or you have changed your contact details recently, please let us know by contacting the [graduation team](#) as soon as possible.

The deadline to confirm your attendance and book guest tickets is **4pm Monday 16th February 2026**, additional online bookings will not be permitted after this deadline. You need to book your graduation gown through the [Graduation Attire booking portal](#) to confirm your attendance.

Your own seat number will be on your e-ticket which will be emailed to you a week before the ceremony, along with your guest tickets. Please ensure that you give your guests their tickets as these will be checked on entry to the Guildhall.

All guest tickets must be ordered before the ceremony. You will be able to book a **maximum of 2** guest tickets, at £10.00 per ticket.

If you experience any technical issues with ordering your tickets and /or gown, please contact the dedicated customer service department at Grad Attire or use the chatbot function on their website.

3.2 Tickets for children

The University aims to make its graduation ceremonies as welcoming as possible, but the formal nature and duration of the ceremonies may make them unsuitable for babies and small children.

All children over the age of 3 years will require their own seat so they must have their own ticket to enter the Great Hall. We advise babies and small children under 3 years old can sit on guest's laps. Tickets will be checked on entry to the Great Hall. Additional tickets will not be available for purchase on the day of the ceremony.

Any children attending graduation must be accompanied by an adult other than the graduating student as guests and graduating students do not sit together.

3.2.1 Pushchairs and Prams

Please note that if you are bringing babies and small children, due to health and safety measures pushchairs and prams are not permitted in the Great Hall where the ceremony will take place, these will need to be left in the designated storage area within the venue. Babies and small children will need to be carried by the guest whilst in the Great Hall. All children must be sufficiently supervised at all times.

3.3 Visas for overseas students attending the graduation

Shortly after you receive your ceremony invitation you will also receive an invitation letter to support a visiting visa application.

For policy/regulatory purposes, we are not able to name guests, only the graduate we hold a student ceremony record for. We cannot provide personalised visa letters for family/ friends.

3.4 Accessibility and medical requirements

If you or any of your guests require accessible seating at the venue including space for a wheelchair please indicate this when you register on the Grad Attire booking portal.

Please provide as much information as possible to enable us to ensure suitable seating arrangements are made for you. Any information shared is held securely and is only shared with those involved in the running of the ceremony.

If you have any problems downloading your tickets or do not receive them, please contact the [graduation team](#) before the day of your ceremony.

Your seat number will be on your e-ticket (graduates only). Guests do not have reserved seats; guest seating is on a first come first serve basis. Please ensure that your guests have their own tickets as you may not enter the hall at the same time.

3.8 Unable to attend the ceremony

We hope that your arrangements will proceed without any difficulty and that your ceremony will prove both memorable and enjoyable for you and your guests. However, if you are unable to attend the ceremony, please contact the University on 01904 876757 as soon as possible or email the [graduation team](#), giving your name and the title of your award.

It is University policy that attendance at graduation ceremonies cannot normally be deferred; you are expected to attend the ceremony following completion of your award. However, deferral may be permitted if genuine circumstances prevent you from attending your ceremony. Requests for deferral must be made before the date of your ceremony.

If you are no longer able to attend and wish to cancel your place you should contact the York St John [graduation team](#) in the first instance. We will then advise you of the process to follow to request a refund (if applicable). If you are late on the day of your ceremony, you will not be eligible for a refund.

Grad Attire are providing the photography for the ceremonies, and you can pre-book your photography package through their online booking website at the same time as you confirm your attendance and hire your gown.

Photography will take place in the Guildhall. Please make your way to the photography location once you have collected your gown. Please note that only guests with tickets to the ceremony will be able to be invited to have professional photos taken with the graduating student.

Photographers will also be present during the ceremonies to photograph every graduate crossing the platform.

All photos will be put into an online system for graduates to view within 48 hours of the graduation ceremony.

All graduates with photos will then have 14 days to choose which photos they would like to be sent to our professional editing team.

Photos will then take around 6-8 weeks to be edited, printed and dispatched.

All photos are dispatched over 2-3 working days once all editing is completed.

7.2 Personal photography

There are no restrictions on photography in the Guildhall, but we do ask graduates and their guests to consider others when taking photographs. All guests must remain in their seats whilst the ceremony is in progress to keep all aisles and doorways free of obstruction for the movement of the graduating students.

7.3 Your Graduation Clip

As the graduation ceremonies are filmed we are working with MyGraduationClip to provide you with a clip of that special moment when you cross the stage to receive your degree. The clip is free and yours to keep, to share with friends, family or on your socials. In exchange we ask you to complete a short survey telling us what you are doing now that you have graduated. Look out for a link in future graduation emails and via QR codes at the ceremony.

8. Arrival instructions

We advise that you arrive at least 2 hours before your ceremony start time, to give you sufficient time to collect your gown, have your photograph taken before your ceremony and enjoy the celebratory atmosphere of the event with your family and friends.

The Guildhall operates a security bag checking system, all bags will need to go through a bag scanner on entry, with the number of graduates and guests this will mean queues to enter the venue will be likely. Please note that if you leave the venue for any reason, you will be required to go back through the bag scanner on re-entry, this may mean queuing again, please consider this when re-entering for your ceremony.

Entry for graduates and their guest will be via the Guildhall Art Gallery, all those coming through this entrance will need a valid ceremony ticket, once graduates have collected their gowns and had any photography taken, they need to make their way to the Great Hall.

On entry to the Great Hall graduate and guest tickets will be checked again.

Doors to the Great Hall (internal ceremony hall) will close **30 minutes** before the ceremony start time. If graduates and guests arrive after the doors have closed access to the ceremony will be denied. Late arrivals cause significant disruption to the graduation ceremony and spoil the experience for graduating students and guests. The University reserves the right to refuse entry to the ceremony for those without a ticket and to those arriving late. Due to the venue capacity restrictions graduates will not be offered the opportunity to graduate at a later time should they miss their scheduled ceremony. No refunds will be given for late graduates and their guests.

9. Graduates and guest seating

Graduates will be sat in their programme cohort, in alphabetical order by surname. Graduates will be allocated a seat number; this will be displayed on the graduate ticket they will receive via email a week before the ceremony date. Graduates should only sit in the designated seat as this is the order that the presenter will read out names. It is very important that you sit in your allocated seat or there is a risk that your name will be missed.

Guest seats are not allocated and are available on a first come first serve basis, you may only take up the number of seats that you have guest tickets for, if you are bringing babies (in arms) and children 3 years and younger that do not have their own ticket they will need to sit the guest's lap. All children over the age of 3 will require their own ticket to enter the Great Hall.

Guest tickets that are not used will not be refunded.
