## Chancellor's welcome

I am delighted to welcome you, your families and honoured guests to the magnificent London Guildhall on this long-anticipated day of celebrations. It is a privilege to gather here with you in recognition of your achievements and to wish you well for the future.

I know that a vast amount of hard work has gone into gaining your qualifications, and I am full of admiration for the dedication and perseverance you have shown in your studies.

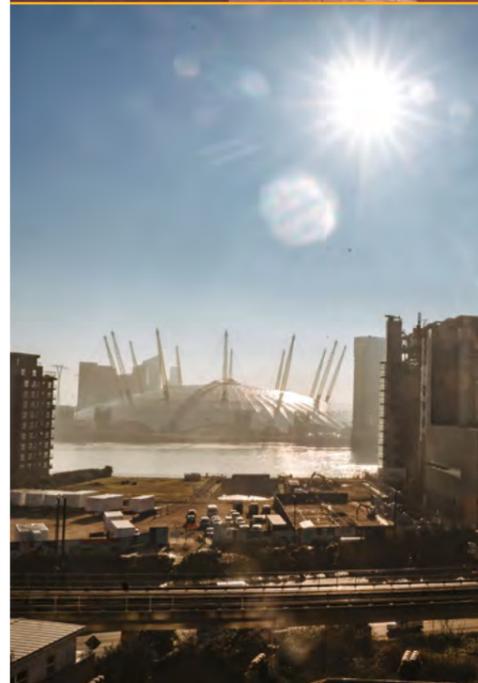

Education brings with it responsibilities, including the duty to make a positive contribution to the world. I hope that your time at York St John University has inspired you to create the change you want to see, in ways that reflect our values as an open, innovative, transformative and ambitious university community.

Your graduation ceremony may feel like your final departure from York St John, but your connection to the University will last a lifetime. In becoming alumni of York St John University, you have earned yourselves a special place in our history, and will become part of our global alumni community. Together, we represent the incredible power of education in bringing people together, from all across the world, in the pursuit of knowledge and progress.

I hope this is just the beginning of an extraordinary life experience, and I offer you my very best wishes as you set out to make your mark in the world.

**Reeta Chakrabarti**

Chancellor of York St John University

## Vice Chancellor's welcome

On behalf of York St John University, it is my pleasure to extend a heartfelt congratulations to you on this special occasion. Today is a celebration of your achievements as you reach this significant milestone in your academic journey.

During your studies, you have gained the knowledge and skills needed to prepare you for the exciting opportunities that lie ahead. Your passion for learning has been nurtured by our vibrant London campus community, a space in which innovation, creativity, and leadership are fostered.

From today, you begin your next chapter as part of our growing York St John University alumni network. I hope you will take with you the confidence and expertise you have gained during your time with us. Whatever your next steps, remember that you will always be a valued member of our university community. We encourage you to stay connected with us, sharing your experiences and achievements as future professionals, and inspiring others to follow in your footsteps.

Whilst this graduation ceremony is, above all, a celebration of your success, it is one that our colleagues are proud to share with you. Your achievements have been supported by the dedication of our academic and professional staff, who have guided, challenged, and encouraged you throughout your studies. Their commitment to your learning and development has been unwavering, and they join me in celebrating your accomplishments. On their behalf, I wish you every success and fulfilment in all your future endeavours.

**Professor Karen Bryan OBE**

Vice Chancellor and Chief Executive of York St John University

# | York St John University

York St John University has been delivering education for social and civic benefit for almost 200 years. We are proud of our heritage, our church foundation, and our pioneering education of women. We celebrate our growing and diverse community on our York and London campuses, where we provide a welcoming, inclusive, and inspirational learning environment to over 13,000 students.

The University is home to a supportive and diverse academic community with a commitment to social justice and a vocation for transforming lives through education. Our long history of widening participation ensures that we are well equipped to support a growing and diverse student body.

At York St John we value each student's individuality and their role in transforming communities as the innovators and leaders of the future. Our work-related experiential learning initiative is designed to ensure that all students have authentic experiences of work-related learning embedded within their course. This is key to how we prepare our students for a successful future as confident, work-ready graduates.

Impactful research is one of our cornerstones as a modern and ambitious university. York St John's experts explore ideas with fresh perspectives and purpose, with research by our academics continuing to make headlines. Our Postgraduate Research School provides a dedicated support service for postgraduate research students and their supervisors, including a research skills training programme, scholarships and funding assistance. We continue to build our research capacity and impact ahead of our submission to the next Research Excellence Framework (REF) in 2029.

In line with our University for Social Impact Strategy, we seek to have a positive impact on our community by challenging prejudice and inequality, and promoting a fairer and more just society. We hold Race Equality Charter and Athena Swan Charter bronze awards for progress to advance race and gender equality in higher education. York St

John is proud to be a University of Sanctuary, part of a UK-wide network of universities who foster a culture of welcome and inclusion for students from backgrounds that have sought refuge in the UK.

Our Institute for Social Justice underpins our mission to stand up for social justice by facilitating research, projects and partnerships that help us to pursue and promote a fairer society. The Institute for Health and Care Improvement addresses key challenges facing health and social care sectors. This work aims to influence decision-makers with evidence and research to inspire change as we navigate the health challenges of the modern world. Our new Institute for Culture and Heritage will strengthen our inclusive research culture, building on Humanities and Arts strengths such as languages, linguistics, and tourism.

Students value their experience at York St John, with feedback from international and postgraduate students placing the University above the sector average for overall satisfaction. We are exceptionally proud to have achieved Gold for student experience, and Silver overall in the latest Teaching Excellence Framework (TEF). This focus on excellence has driven our upward trajectory on quality, including entry standards, continuation, outcomes, and progression.

At York St John University we strive for what we believe in. Our strong values underpin everything we do. We are intellectually open and curious; we are dedicated to promoting fairness and challenging prejudice; and we always inspire and support each other to succeed.

“At York St John we value each student's individuality and their role in transforming communities as the innovators and leaders of the future.”

Professor Karen Bryan OBE

Vice Chancellor and Chief Executive of York St John University

# | York St John University London

Our York St John University London campus is a special place. A place where more than 3,000 students come together to learn, to grow and to challenge ideas. A vibrant community of innovators, critical thinkers and future leaders in our iconic capital city. A community committed not only to enterprise and creativity, but to recognising injustice, expanding opportunity and shaping a more just world.

Located in the Export building at East India Dock, our campus is ideally placed for access to East London's rich and diverse amenities. Close to Canary Wharf, we are an integral part of London's creative, technology and business ecosystem.

Our range of courses are designed to nurture the creative and business pioneers of the future. The learning, teaching and research environment aims to address social injustice and expand education to people from underrepresented backgrounds, both in the local area and further afield. We are proud to see our students develop into independent and successful professionals, informed by research and taught by academics with industry experience.

With a focus on bridging key skill gaps, we evolve to meet the needs of the communities in which we live and work. Alongside our postgraduate courses and undergraduate top-up degrees, we are proud to support a growing body of research degree students, including PhD candidates, whose work advances knowledge and drives innovation. Our academic offer builds the expertise, confidence and skills our students need to become forward-thinking innovators, business professionals and impactful researchers.

By connecting with our students on a personal level, we cultivate an inclusive, welcoming, and compassionate community. We empower every student to realise their potential through personalised coaching and tailored guidance, equipping them for future success.

Today, we welcome our graduating students to the spectacular setting of the Guildhall's Great Hall. In this extraordinary building, with its 2,000-year history, we celebrate the many achievements of our graduates as they look to their future.

Our achievements and the stories we tell about our university are only part of the picture. The most important stories are the individual ones of your personal successes and struggles, ideas and inspirations. The friends you've made, the experiences you've gained, the work you've done and all you've learnt. We want you to look back with pride on your time with us. We hope that being a York St John University student has been transformational in the most positive sense and that you carry our shared legacy with you into the world.

“Our London campus inspires professional development and personal growth at every level. I'm so proud to see our students benefit from the businesses and community connections at York St John University London and go on to make a real difference to economic and social change in their communities.”

Louise Donaghy

Dean of London Campus

## | Order of ceremony

The Procession will enter the Great Hall.

The Presiding Officer (Chancellor or Vice Chancellor) of York St John University will open the ceremony and address graduates and guests.

The Presiding Officer of York St John University will confer Degrees and Prizes.

A graduate of York St John University will propose a Vote of Thanks.

The Vice Chancellor will address graduates and guests and declare the ceremony closed.

The Procession will leave the Great Hall, followed by graduates.

Guests should remain in their seats until the Procession has left the Great Hall.

Rahul Narhar Kshirsagar  
Swathi Mothipally  
Edith Ayomide Oshin

This year marks 50 years since our two founding colleges, Ripon College and St John's College, merged to form The College of Ripon and York St John (CRYSJ). From 1975 until 2001, our students thrived at our two campuses and created lifelong bonds with their community. To celebrate this pivotal point in our University history, and the legacy of the alumni who studied there, we created the College of Ripon and York St John 50 Year Alumni Prize.

This prize was funded entirely by donations from our CRYSJ alumni community, including through the sale of commemorative pin badges. Thanks to the generosity of our community, we were able to award 50 Prizes this year. Prize winners were nominated by University staff for their community drive, resilience and their support of others during their studies, key values held by our alumni community.

## | Your YSJ community

Congratulations on your graduation! Now is a time of change, but one thing stays the same: you are still a member of the York St John University community. Here at York St John, we are your community for life, not just until you graduate.

For over 180 years, our graduates have upheld our values of community, inclusivity and social justice as they began their careers and lives outside York St John. We can't wait to see you shine, wherever life takes you as you begin your journey.

### Stay in touch

Graduating from York St John means you are now part of our worldwide alumni community. Wherever and whatever your adventures, we would love to hear your news and keep you up to date with what's happening at York St John. Keep an eye out for an email explaining more about what it means to be an alum and how York St John can continue to support and encourage you.

Our most up to date news can always be found on Facebook (@ysj alumni) and Instagram (@ysj alumni). Whatever your next steps, we also encourage you to join our LinkedIn group (York St John Alumni) for regular updates about benefits and upcoming opportunities. In addition, we'll continue to send you monthly e-newsletters, a quarterly e-newsletter for our London campus graduates, and an annual magazine. Make sure your details are up to date so you don't miss out!

### Our lifelong promise to you

York St John is your university for life. As an alum, you can attend events and public lectures, join our networks and enjoy our alumni-only events. You can also enjoy our range of alumni benefits, including discounted room hire bookings and free library membership at our York campus, discounted prices at The Dock for your first six months, and an exclusive alumni fee discount on eligible postgraduate programmes, including research degrees.

Don't forget you also have lifelong access to careers guidance and support, including access to our careers fairs. You can contact our London Careers Service team by emailing [london.careers@yorks.ac.uk](mailto:london.careers@yorks.ac.uk). So, whether you want to return to education, receive career advice, attend an event or learn something new, we are here to help, whenever you need us.

### You're an inspiration

Our graduates are our most powerful ambassadors and we are always keen to hear your stories. Your York St John journey is an inspiration to current students and a powerful advertisement to potential students considering postgraduate study. You can share your York St John story by submitting an alumni snapshot. In your snapshot, you can share your experiences of studying with us, advice for current students and tell us more about your career so far.

Please share your story by completing an alumni snapshot in the alumni community section of our website.

Find out more about your alumni community, benefits and update your details on our website: [yorks.ac.uk/alumni](https://yorks.ac.uk/alumni)

### With you, we can do more

We would love you to help support our current students. Whether you support students by being part of our events programme, providing work experience or internships, giving a guest lecture, or joining a career talk; your experience is exactly the inspiration our students need.

You can also help current students by supporting our alumni-funded scholarships. As you know, access to higher education is becoming more and more of a challenge for many students. Ensuring as many people as possible, whatever their background, can change their lives through education is the cornerstone of everything we do at York St John.

Every year, thanks to our alumni and friends, we change lives by providing scholarships to those who need it most. Your donations, large or small, make a real difference to our students in reaching their potential. For more information about how your support can change lives, please visit [yorks.ac.uk/support-us](https://yorks.ac.uk/support-us) to see how you can help.

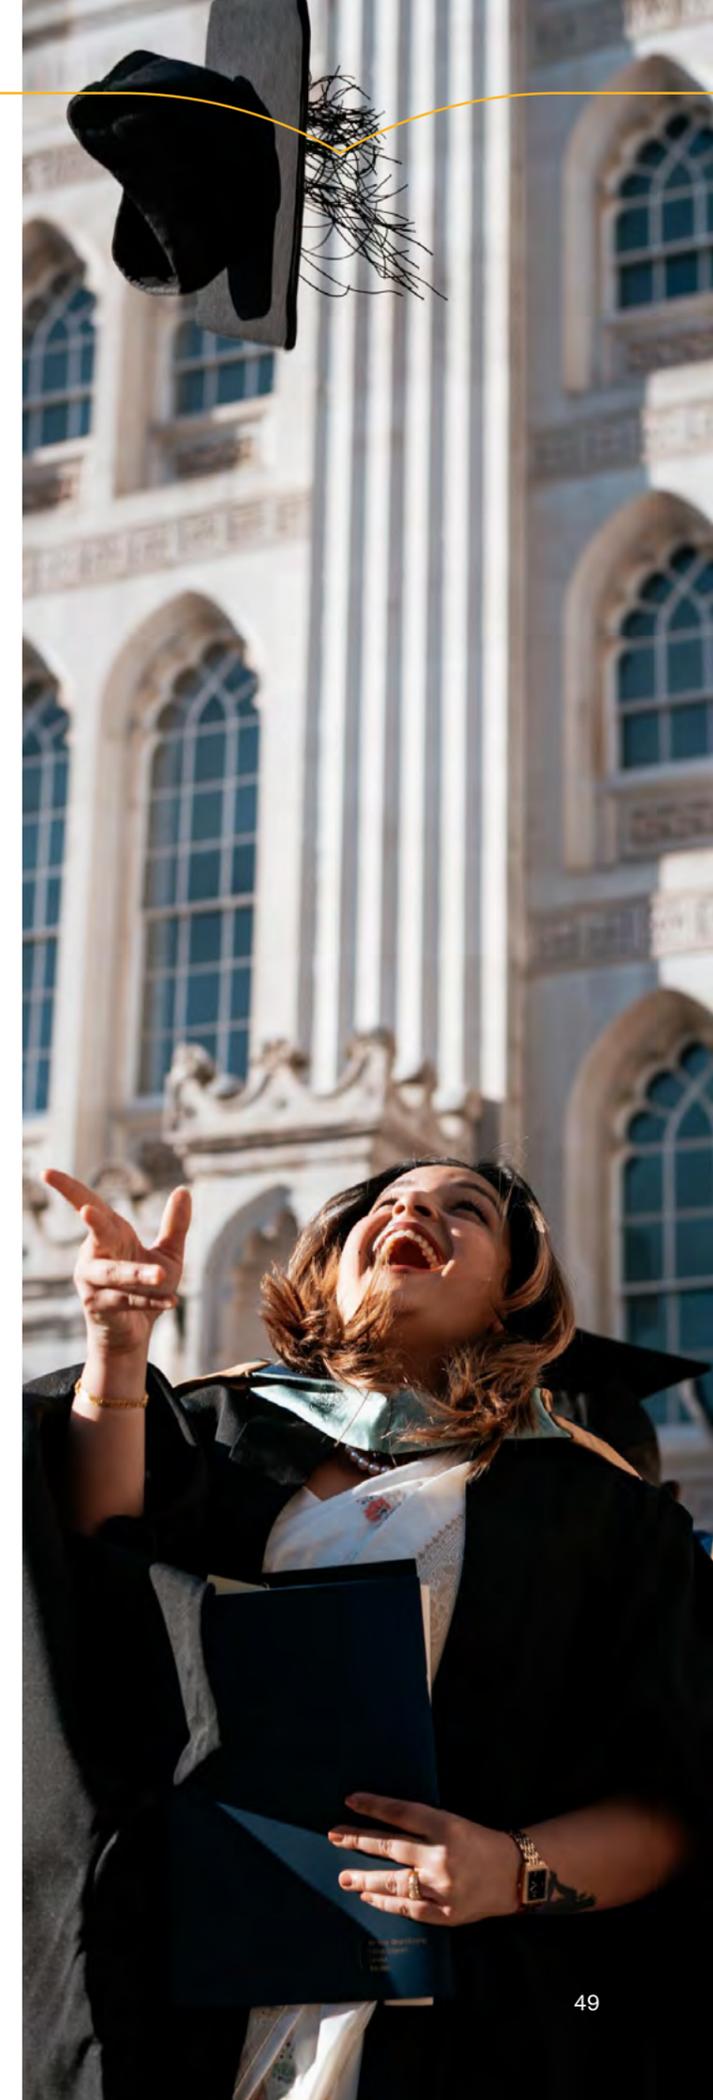

Your support is gratefully received!  
Donate here:

### Contact us

You can contact us at any time by emailing [alumni@yorks.ac.uk](mailto:alumni@yorks.ac.uk) or by messaging us on any of our social media platforms.

We wish you good luck and happiness for your future and can't wait to hear what happens next.
