2. The Booking Portal

2.1 How to Confirm Your Attendance

An invitation to your graduation ceremony has been sent to your personal and/or home email address. Please make sure your contact details are up to date via the e:Vision homepage.

If you have not received your invitation or you have changed your contact details recently, please let us know by contacting graduationyork@yorks.ac.uk as soon as possible.

Your invitation will contain instructions that detail how to confirm your attendance. You will need to register your attendance by no later than **4:00pm (BST) Wednesday 30th September 2026**. Please read the following information carefully, using your personal email address to register/order, and being sure you do not miss any of the deadlines.

Please note, graduates do not need to purchase a guest ticket for themselves, by booking your robes and attire you have confirmed your attendance. Guest tickets are to be purchased for guests only.

Your own seat number in the Minster will be on your e-ticket which will be emailed to you around a week before the ceremony, along with your guest tickets. Please ensure that you give your guests their tickets as these will be checked on entry to the Minster.

If you experience any technical issues with ordering your tickets and /or gown, please contact the dedicated customer service department at Grad Attire on service@graduationattire.co.uk or use the chatbot function on their [website](#).

2.2 Can I Defer My Attendance?

It is University policy that attendance at graduation ceremonies cannot normally be deferred; you are expected to attend the ceremony following completion of your award.

Deferral **may** be permitted if genuine circumstances prevent you from attending your ceremony. For example, this could be due to medical reasons but not because of holidays or prior engagements.

If you wish to request a deferral you must contact the Graduation Team at graduationyork@yorks.ac.uk before the date of your ceremony, requests to defer need to be submitted with explanation before the original ceremony has taken place. All deferral requests will need to be reviewed by management and are subject to approval.

2.2 Guest tickets

Guest tickets will be available for purchase through our online booking portal. Your invitation will contain instructions that detail how to purchase guest tickets. You will need to purchase your guest tickets by **no later than 4:00pm (BST) Wednesday 30th September 2026**.

Guest tickets **must** be ordered before the ceremony. Guests cannot access the online booking portal; all guest tickets must be purchased by the graduate.

Once the booking portal opens you will be able to purchase a maximum of **two** guest tickets, at £10.00 per ticket. This is to ensure each graduate is given equal opportunity to purchase two guest tickets.

2.4 Extra Guest Tickets

Our guest tickets are initially capped at two per graduate, this is to ensure each graduate is given equal opportunity to purchase two guest tickets. All guest tickets must be purchased via our online booking portal; these will be available for purchase alongside attire, photography packages etc.

Further tickets may become available in mid-October – **you will be contacted if this is the case.**

Once the booking deadline has arrived and the portal closes, we then assess how many extra tickets we can offer per ceremony. We cannot guarantee that extra tickets will be made available at any point, and if these are made available, these are sold on a first-come first-served basis. How many we will be able to offer depends on the size of each ceremony.

Emails will be sent out by the University to notify you when/if these extra tickets are available. Additional guest tickets will be charged at £10.00 per ticket.

We are unable to reserve extra tickets on anyone's behalf or confirm the availability of any additional tickets before 7th October 2026 so please do not contact us about additional guest tickets before this date as we will not be in a position to process your request.

If any of your guests are no longer able to attend, please let us know by emailing graduationyork@yorks.ac.uk. This will allow us to release tickets to others in your ceremony.

2.5 Lost or Missing Tickets

Graduate and guest e-tickets will be issued via email by the GradAttire online booking system week commencing 9th November 2026. If you have not received your graduate and/or guest tickets by Friday 13th November your tickets may be filtered into your spam/junk folder, please check this folder. If you have not received your graduate and/or guest ticket to your main inbox or junk folder please contact the **Graduation team** before the day of your ceremony.

Please print out or download onto a mobile device and bring all tickets with you on the day as they will be checked and verified by staff on entry to the Minster. If you have any problems downloading your tickets or do not receive them, please contact the **Graduation team** before the day of the ceremony.

2.6 Order Amendments and Refunds

If you have made a mistake with the size of your gown or cap, you should not worry as we can simply update this so that it is a smooth process on the day.

Anything you have already paid for will require changes to be made manually over the phone. This would include changing the gown day hire to an extended hire, or even purchase.

If you can no longer attend the ceremony and require a refund please first contact graduationyork@yorks.ac.uk to inform us of this change. You will then need to contact the Grad Attire's customer service

department via service@graduationattire.co.uk to request the cancellation of your booking and refund of funds. In order to claim full return of your payment you must submit the refund request before **9th November 2026**. Grad Attire's refund policy can be found [here](#).

The University works hard to ensure that the Graduation ceremonies are enjoyable and celebratory, and as they are non-profit making, we cannot issue late or post-ceremony refunds.

We hope, however, that your arrangements will proceed without any difficulty and that your ceremony will prove both memorable and enjoyable for you and your guests.

2.7 Unable to Attend the Ceremony

If you are unable to attend the ceremony, please contact the graduation team via graduationyork@yorks.ac.uk. Please include your name and student number in this email. We will then confirm options for the postage of your certificate.

8.1 Graduate Seating

Graduating students will find their individual seat number on their e-ticket, this will be sent by email a week before the ceremony. When entering the Minster, graduates will be directed to their seats by the stewards. Please sit on the chair with your name and number on it.

Once you have taken your place, please remain in your seat – if your seat is empty, it will indicate you are absent, and you will not be presented for your award.

8.2 Guest Seating

Guests do not have pre-allocated seats; guests' seats are available on a first come first served basis. Guests should follow instructions from the stewards on where to sit. Please note that in larger ceremonies there are overflow seating areas in the Minster which do not have a direct view of the stage but will have screens to broadcast the ceremony.

If your guests have any additional requirements in regard to seating and/or may need any assistance during the ceremony please contact the **Graduation team**.

All seats have extra leg space to ensure guests are as comfortable as possible. Guests should remain in their seats until directed to leave the Minster by a steward after the ceremony.

York Minster can get very cold in November; therefore, we recommend that guests dress as warmly as possible for the ceremonies.

8.3 Babies and Children

The University aims to make its graduation ceremonies as welcoming as possible, but the formal nature and duration of the ceremonies may make them unsuitable for babies and small children.

All children that require their own seat must have their own ticket, if babies and small children under 5 years old can sit on guest's knees they do not need a ticket.

Any children attending graduation **must** be accompanied by an adult other than the graduating student as guests and graduating students do not sit together.

At the appropriate time, you will be directed onto the stage where your award will be conferred. A photograph of you crossing the stage will be taken by the Grad Attire official photographer. After you exit the stage you will collect your certificate and then be directed by university staff back to your seat.

Once the ceremony is declared closed the academic procession will leave the Minster through the South Transept doors. The stewards in charge will direct new graduates to join the procession at the appropriate moment, out through the South Transept doors, and into the Minster Piazza - where you should wait for your guests to re-join you.

Guests should remain in their seats until directed to leave the Minster via the Northwest door.

If you are unsure if this pertains to you, please email the [graduation team](#).

11. Relaxed Graduation

York St John is committed to creating a safe and inclusive space for everyone, and this includes those attending our Graduation ceremonies.

Graduation is a time to celebrate your achievements with your family and friends; however, we understand that some students may find attending their graduation ceremony overwhelming.

Our relaxed graduation experience is designed for anyone who might feel more comfortable in a relaxed setting, including, but not limited to, students and guests with learning difficulties, autism, social anxiety, or sensory processing difficulties. All Academic Schools are included as part of the celebrations, and it's open to everyone who is eligible to attend graduation in November 2026. We plan to host this ceremony in our beautiful Chapel of St John the Evangelist on campus during the same week in November that ceremonies take place in York Minster.

If you would like to transfer your graduation to the relaxed experience, please complete our **interest form** by no later than 4:00pm Wednesday 30th September 2026.

The purpose of this form is to register your interest in attending our relaxed graduation event. At this stage this is only an expression of interest, if you later decide you wish to attend the ceremony at York Minster this will not impact your attendance in anyway.

Please note if you wish to attend either ceremony you should still go ahead and book your gown and guest tickets for the graduation ceremony you have been invited to. This confirms your attendance and lets the Graduation Team know you are due to attend. After the registration deadline (4:00pm 30th September) we will contact you with further details and if you do wish to attend the relaxed graduation event we will make arrangements, your GradAttire booking will remain intact. If you have any questions regarding this, please contact our graduation team.

12. Certificates

12.1 Your Award Certificate

Your award certificate will be available for collection during your graduation ceremony. After you cross the stage you will be directed to exit and return to your seat. Our certificates team will be based off-stage, please collect your certificate before your return to your seat.

12.2 Partnership Graduates

If you are a graduate of one of our partnership institutions, they will issue your certificate to you directly. This will not be available to collect on the day of the ceremony.

12.3 Graduating in Absentia

If you are unable to attend the ceremony, please contact the graduation team via graduationyork@yorks.ac.uk. Please include your name and student number in this email. We will then confirm options for the postage of your certificate.

If you have any questions regarding this, please contact our [graduation team](#).

12.4 Prize Certificates

All prize winners will be contacted before the ceremony to notify them of the award. If you are awarded a graduation prize certificate this will be included alongside your award certificate, this will be provided in a YSJ certificate display folder.

Further information about Graduation Prizes can be found on our website [here](#).

12.5 Digital Certificate and Transcript

We work in partnership with GradIntelligence (also known as GradIntel) to provide you with official digital proof of your results (interim transcript) and award (final transcript and certificate).

Students who graduated since July 2023 have access to a digital copy of their certificate via GradIntelligence. Digital certificates become available in GradIntelligence following the University Assessment Board that your award has been conferred at.

All documents bear the signature of the University's Academic Registrar and the Vice Chancellor. These documents are tamper proof and can be shared with anyone you choose, as verification of your achievements.

You will receive an email asking you to register with GradIntelligence which will enable you to complete the activation process and access your digital documents.

When you activate your account you must create your own GradIntelligence username and password. You can continue to use these to log in to GradIntelligence after you have left the University, we recommend you register using your personal email address and not your York St John address.

If you have any questions about accessing your digital documents through GradIntelligence please contact the Certificates team: certificates@yorks.ac.uk.

If you have not accessed your GradIntelligence account, or are having trouble remembering your username or password, visit the GradIntelligence website: [Account recovery](#).

Documents available via GradIntelligence:

- Digital interim academic transcripts (from March 2025 onwards)
- Digital final academic transcripts
- Digital award certificates

Please note that for some programmes (this may include PGR and students studying at partner institutions) it may not be possible to issue digital documents. If you are unsure or have any questions, please contact the [Certificates team](#) who would be happy to help.
