

**A warm welcome from all of us at York St John University's London campus!**

Below is your timetable of today's activities. There's a lot going on, so please read the schedule carefully: the first stop on your journey is **FLOOR 3** - so head on up there now.

Please just ask a member of staff if you can't find the right room - we're here to help.

**Toilets** are located at either end of both floors and we have a **multi-faith space** in room LX 632, if you require a undisturbed place to pray.

We appreciate that the first day can be exhausting: should you feel overwhelmed, or just need to take a break from the hubbub, come to the **Wellness area** on level 3.

Above all, enjoy your time at YSJ London!

**Wednesday, 05th February 2025**  
**MSc International Project Management**
