### COVID-19 Shielding Status & Absence Reporting

'Shielding' is any person classed as clinically extremely vulnerable. These people are advised to take additional action to prevent themselves from coming into contact with the virus. If you're clinically extremely vulnerable, you're strongly advised to stay at home as much as possible and keep visits outside to a minimum (for instance once per day). This is called 'shielding' - please see the latest government advice on [Guidance on Shielding](#) (opens in a new tab) and [NHS Shielding Advice](#) (opens in a new tab).

To ensure we are doing all we can as a University to support you we would encourage anyone who is currently shielding to let us know so we can better understand your personal circumstances and how this may be affecting your University experience.

**Current shielding status:** Not shielding

If you are isolating or in quarantine due to coronavirus please use the [Report an Absence form](#).

### Step 3: Open timetable

Beneath current year select “View 2020/21 Timetable” to access your academic timetable.

#### Home

##### 2020-21 Timetable

**IMPORTANT NOTE** Timetables are still subject to change, due to staffing and fluctuations in numbers of students coming through clearing. Please regularly. If you have any queries about your course, please contact your tutor in the first instance.

##### Continuing students

The Semester 1 timetable is now live. Semester 2 is still in draft and yet to be amended for social distancing.

Activities that show no room will be online. A Microsoft Teams booking will be created for those sessions and will appear in your calendar just before.

Those activities that have rooms attached will be on site. You might see more than one room listed – please go to the first one on the list and you between the rooms.

We recommend you check you online timetable carefully and daily.

The functionality to download your academic timetable, to your personal calendar, will be activated on Monday 24th August.

##### New students

Your Welcome Week (YSJFest) Timetables are separate from your academic timetable. Welcome Week Timetables will appear in due course and found here <https://www.yorks.ac.uk/study/welcome-guide/welcome-week/>

Your academic timetables will appear on this site and will be complete by the end of Welcome week. You may already start to see some lectures sessions. Split-group sessions such as seminars, workshops and practicals will appear later.

##### Room bookings

Due to constantly changing circumstances, we are currently only accepting room bookings up until Christmas.

**New room capacities.** Due to social distancing, room capacities are significantly reduced. (Largest room, Temple Hall, is now only 24+1)
