

Moodle Quick Guide

Getting started in Moodle

Moodle is the main York St John University academic system. It holds details of all modules and is where assignments are submitted.

Accessing Moodle as a Website

We recommend Chrome for Web access to moodle.yorksja.ac.uk.

Select **York St John Login**.

The screenshot shows the Moodle login page for York St John University. At the top, there is a navigation menu with links for 'Staff', 'Student', 'Services', 'York St John Login', and 'External User Login'. Below the menu is a dark blue header with the text 'Log in to the site'. Underneath, there is a breadcrumb trail: 'Home > Log in to the site'. The main content area is titled 'YSJU Students & Staff:' and contains the instruction: 'Please use the 'York St John Login' link in the menu above ↑ or the button below ↓ to log in to Moodle'. A button labeled 'York St John user login' is highlighted with a red circle. Below this, there is a section for 'Login Form for External Users ONLY:' which includes input fields for 'Username / email', 'Password', and a checkbox for 'Remember username', followed by a 'Log in' button. At the bottom, there is a link for 'EXTERNAL USERS who have forgotten their Moodle password can reset it by clicking here'.

If you are not already logged into Office 365, you will need to sign in with your YSJ email address and password.

If you are logged in to Office 365 with Non-York St John account then click **Use another account** and sign in with your YSJ email address and password.

If you are still having issues try opening Moodle in an incognito window. Log in using the York St John login button and then use your YSJ email and password to login.

MyYSJ Student App

Moodle is available as one of the tiles on the YSJ Student app
See our page on the [MyYSJ student app](#)

Moodle App

This app is not supported after 12 October 2020 due to limitations. Moodle works well as a mobile website at moodle.yorks.ac.uk.
