[†] This is the standard deadline and tutors are advised to not set a reassessment date after this date. In exceptional circumstances, it may be necessary to set scheduled assessments between the assessment period of 16-20 August, allowing for adequate time for marking. Submission dates should not be set after 20 August 2027.

[‡] Chair's Actions received after this date may have implications for progression. For example, results may need to be presented at the next board or a bespoke resit deadline may need to be set.
