

My Celium

Laahn Saunders

I chose the woods for my small world because I like to go foraging.
I like the quiet of nature.
I like my parents to come with me in the wood.
I am the best at finding Cep.
Sometimes it can be noisy at home with my brother going up and down the stairs, this keeps me awake.

Gran looks down on me.

Jack Butler

In Benidorm is my small world, I looked up and the sun was shining, and the stars are out too. Is my Gran look up in the stars, looking down on me. My gran was my favourite, then she's given me nice treats.

I look like a beachboy in my summer clothes, and then we go out in the nighttime everyone was dancing, and everyone was welcoming, and everyone was nice people.

Big Mountains Small World

Tim Dowse

When I was younger my family would often go to Switzerland. My mum is from Switzerland and we often would go on family holidays there, into the mountains. My sister Pia and I would play in the snow. My memory is that I was sledging down a little hill but I could not stop, so my mum and dad would have to run down the hill after me and to try and stop me but when I got down to the bottom of the hill I fell off and ended headfirst in the snow.

Ruby's Love. The year 2020.

Laura Walne

In 2020 was the year Covid started and all the lockdowns started happening and my parent's house was quiet and no life because we couldn't get a new dog in lockdown and Covid made me feel a bit worried and lockdown made me feel bored and trapped and lockdown took my life and Covid made my life sink really deep into an ocean of water and finally when autumn came in 2020 my life rose up out of the ocean and swam back to shore and found its way back to me and filled my life with joy and happiness and love and excitement because I was getting a new puppy called Ruby and I found a best friend forever.

My World My Stage

Tracy Crum

My safe place is when I am performing on stage because I can be who I want to be.

I feel proud when I am performing on stage because I didn't think could do it because of my learning disability. People have always told me in the past I am incapable of doing things. I have spent 25 years on stage.

My special place

Stacey Webb

We went for 3 weeks to Florida with my brother and our friend. When I was there, I celebrated my 17th birthday. Kevin is not only my brother he is my best friend. I don't usually spend much time with him. I just want to spend some times with him by myself. Sometimes I get very lonely at home but when I'm on holiday I get him to myself.

My Gran's House

Richard

My small world is my Gran's house. I chose it to remind me of my gran. When I was about 6 years old I used to go and stay with her. My grandad had died when I was a few weeks old so I didn't meet him.

When I first wanted to make my small world, I didn't have much memory of it but as I worked more memories came flooding back. The house smelt of baking, she loved baking cakes which I had to try. She used to cook bacon for me

I know she loved me much because she would tell me. she was glad to have I stay with her. She wasn't a hug person. But I know I felt I could be myself at my Gran's house.
