

What it is: DEDO LIGHT

Includes:

Frezzi belt (booked separately); projection unit (booked separately).

What it does:

Small and portable light with dimmer switch.

Further information:

Light only used as part of a kit that includes the following:

3 x lights

3 x stands

2 x RCD

2 x 4-way extension cable

1 x pair of gloves

Selection of creative and correctional colour gels.

The Frezzi belt enables the Dedo to run in areas where mains power is unavailable. The projection unit attaches to the Dedo to project silhouette patterns.

Available to Years 2 and 3.

Where to find it:

Booked and collected from the FTV support hub.
