

**What it is:** HAGUE D5 TRIPOD TRACKING DOLLY

**Includes:**

Tracking Dolly, 6 track pieces and 6 track connectors.

**What it does:**

Enables you to create tracking shots with a tripod.

**Further information:**

Tracking Dolly is ideal for use on location or in the studio; all you need is a reasonably flat surface. The dolly's width has been set to allow it to go through doorways.

Available to Years 2 and 3

**Where to find it:**

Booked and collected from the FTV Technical Hub.
